

General Plan/Instructions

The order in which the instructions are described corresponds to the order in which the sections and sub-sections are laid out in the TRL Implementation table. The cells that need to be filled in or in which the figure needs to be changed are indicated in grey.

4) Section: INCREASE IN TRL TOTAL. Sub-section: organisation membership.

If your country is not a member of the United Nations, change the figure in cell C9 to 0; if your country is a member of the United Nations, you do not need to change the figure.

If your country is not a member of the Council of Europe, the Organization of American States or the African Union, change the figure in column C10 to 0; if your country is a member of the CE, OAS, AU, you do not need to change this figure.

5) Sub-section: international agreements on a universal level

The ratification of the Universal Declaration of Human Rights (**row 13**) is not required and is therefore assigned to all countries by default. This increases the basic income simply due to its existence. You do not need to change this figure.

Update column C (**rows 14-36**) using information about the ratified agreements/conventions in your country. If your country is not on the list of countries that have ratified the given convention, insert the figure 0 in the **TRL TI** column (column C)

If you cannot find evidence of ratification, insert the figure 0 in column C.

If your country has ratified the given convention (i.e. it appears on the list of ratified countries), you do not need to change the figure.

Important legal clarification: the document itself should be ratified (documents which have been approved by those ratifying the convention are not considered).

Rows 32 and 34 should be left blank for now.

6) Sub-section: international agreements on a regional level

See section “Regional Specificities” (can be found at the bottom of the instructions: point 10).

7) National Soft Law Instruments

If there is evidence of the implementation of the [United Nations Declaration on Human Rights Education and Training](#) in national educational programmes and strategies in your country, you do not need to change the figure in cell C52; if there is no information regarding its use, change the figure in cell C52 to 0.

If your country does not provide a standing invitation for UN special procedures, change the figure in C53 to 0.

If your country has not signed the UN Framework Convention on Climate Change, change the figure in C54 to 0.

Open <https://uhri.ohchr.org/search/Basic> and choose your country from the drop-down menu.

The screenshot displays the 'Basic search' interface of the UN Universal Human Rights Index. A red box highlights the 'State/Entity' dropdown menu, which is labeled '1-st stage'. The dropdown menu lists countries from Afghanistan to Austria. To the right, there is a 'Text search' field and an 'Affected persons' dropdown menu. At the bottom right, there are 'Clear' and 'Apply filters' buttons, with the 'Apply filters' button highlighted by a red box and labeled '2-st stage'.
